

Sieh dir die Perlenkette oben an.

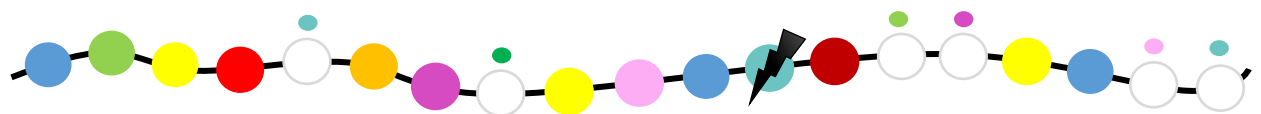

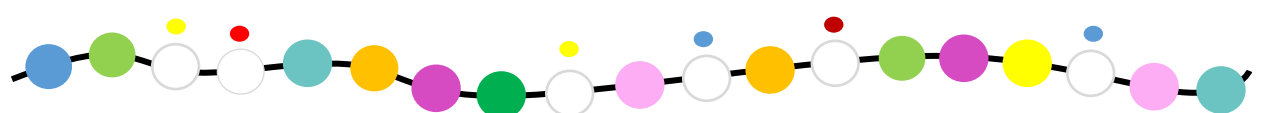

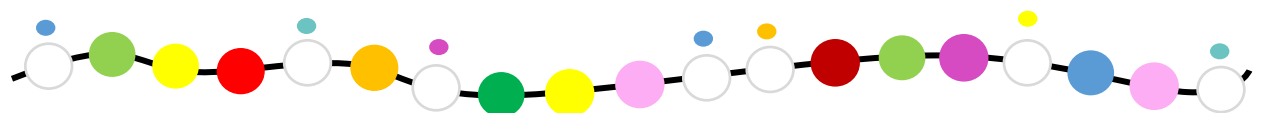

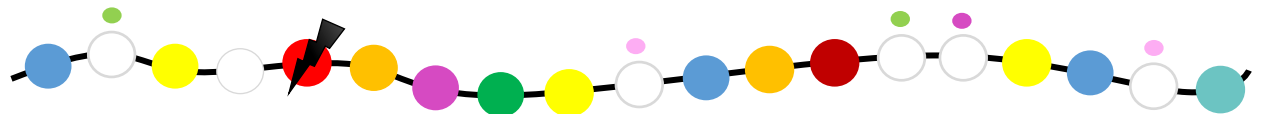

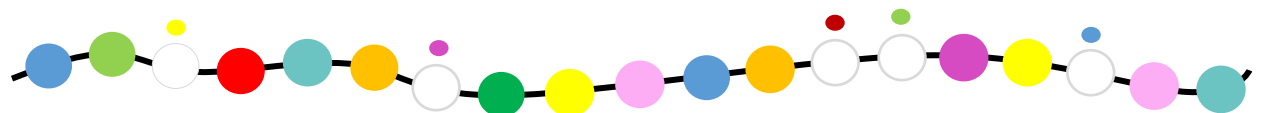

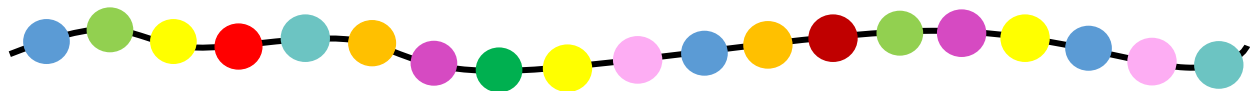

Die unteren Ketten sollen genauso aussehen wie die obere.

Male die weißen Perlen in der richtigen Farbe an.

In 2 Ketten haben sich auch Fehler eingeschlichen. Kreise sie ein.

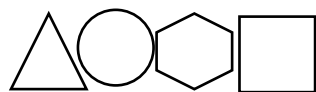

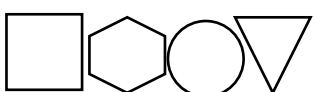

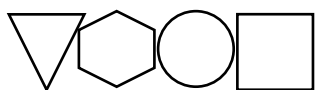

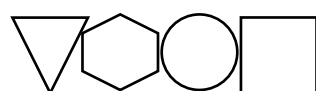

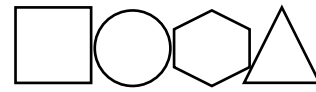

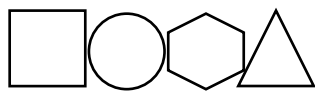

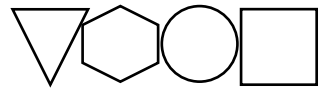

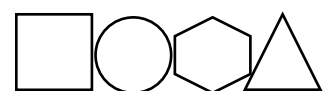

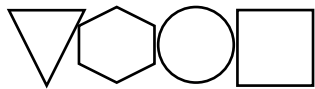

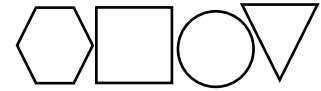

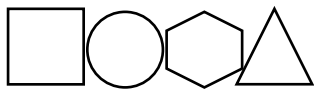

Lösung

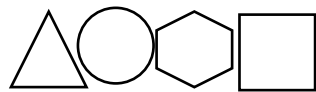

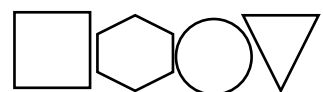

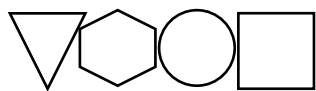

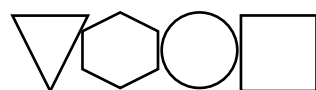

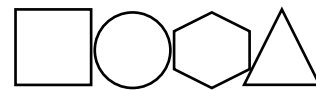

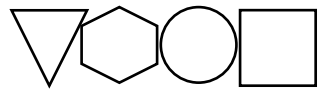

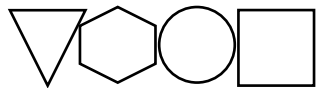

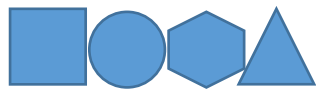

Sieh dir die oberste Kombination der geometrischen Formen genau an.

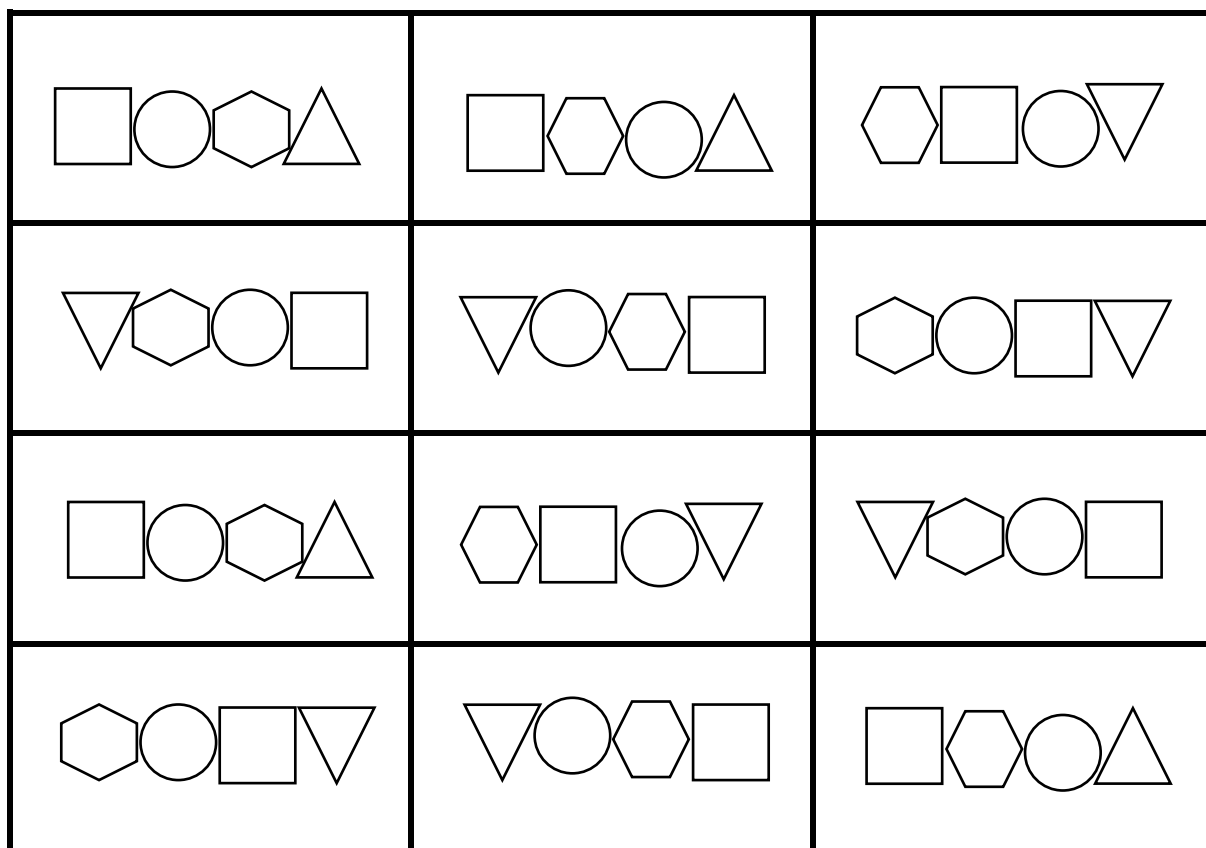

Jede Spalte enthält die Kombination noch einmal. Male die richtige an.

Lösung

Sieh dir die Kombinationen der geometrischen Formen genau an. Jeweils zwei sind gleich. Male sie in derselben Farbe an.
