

Optisches Gedächtnis

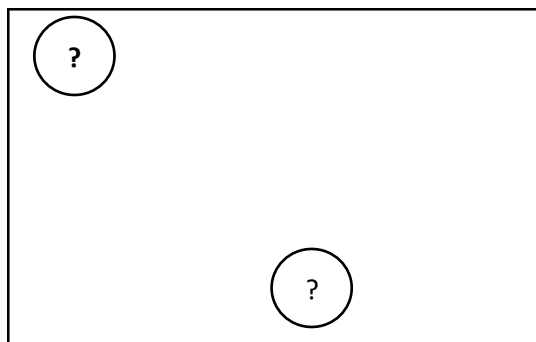

1. Schneide das Blatt an der langen schwarzen Linie in 2 Hälften.
2. Die Hälfte mit den Bildern in den Kästchen legst du in die eine Ecke des Raumes. Die andere Hälfte des Blattes in die andere gegenüberliegende Ecke des Raumes.
3. Merke dir nun die Position der Bilder in dem Kästchen. Gehe dann zu dem anderen Blatt. Welches Bild befand sich an der Position mit dem Fragezeichen?
