

Farbensalat

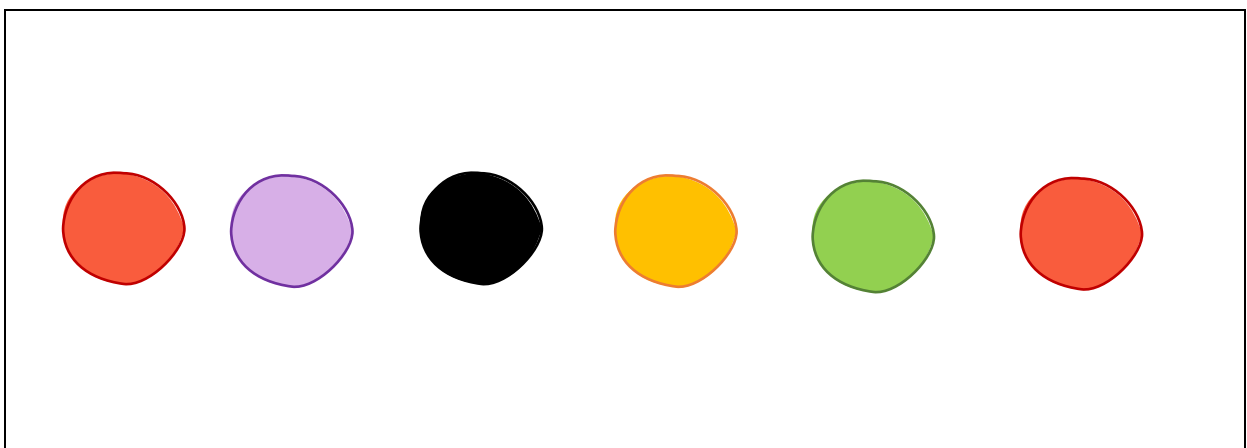

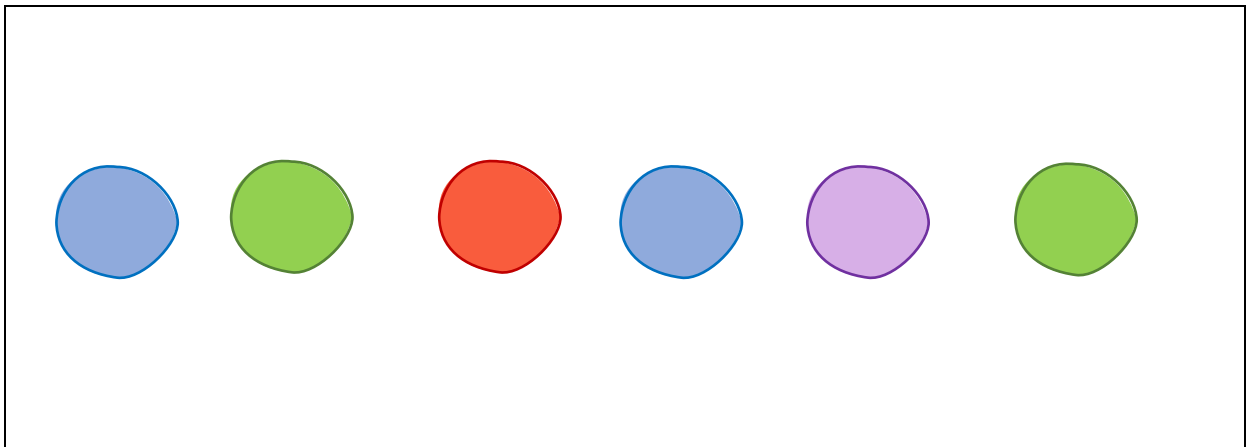

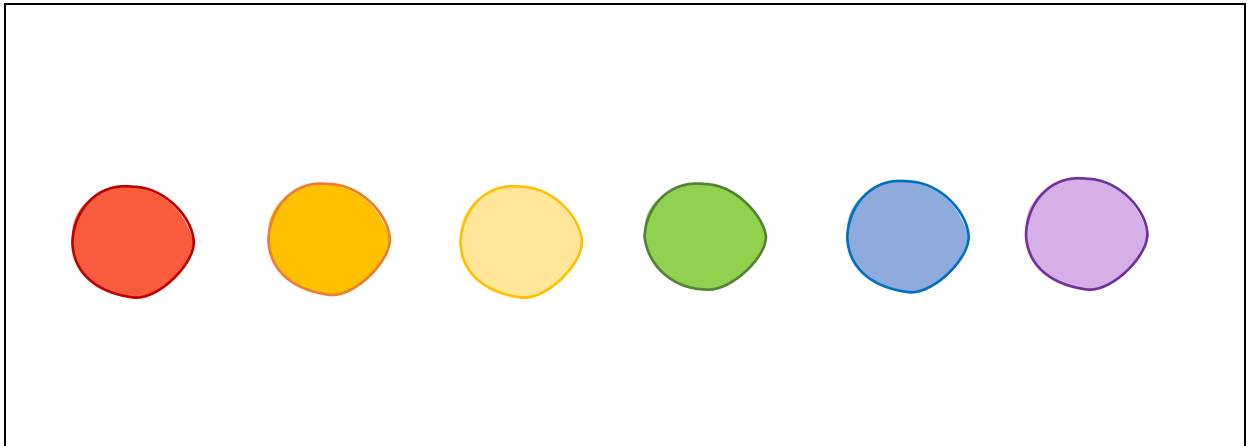

Schau dir die Karte mit den verschiedenen Farben genau an. Versuche dir zu merken, welche Farben zu sehen sind. Danach drehst du das Kärtchen um und legst die gleichen Farben mit den bunten Kreisen auf. Wenn du das schon gut kannst, versuchst du, die Farben in der gleichen Reihenfolge aufzulegen. Später kannst du die gesehenen Farben auch auf ein Blatt Papier aufschreiben.

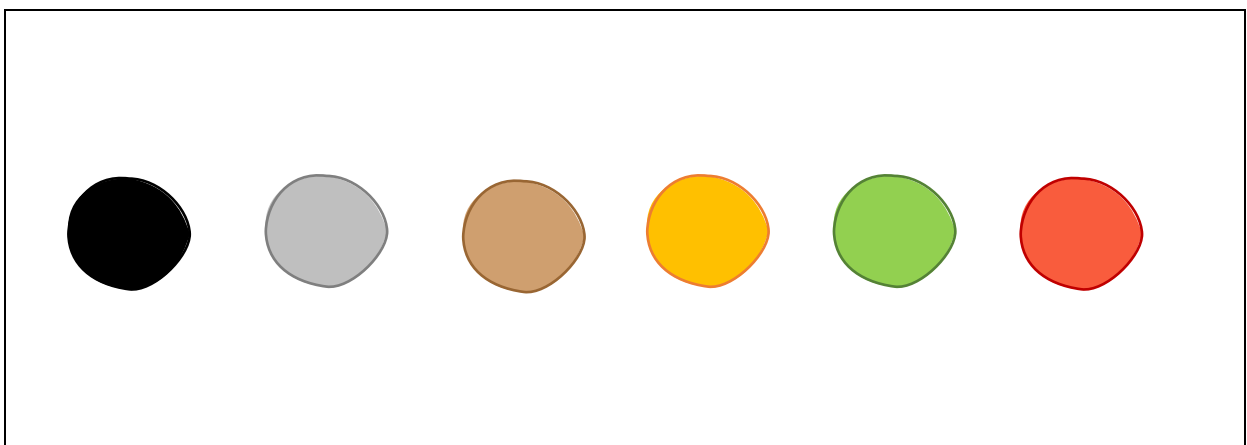

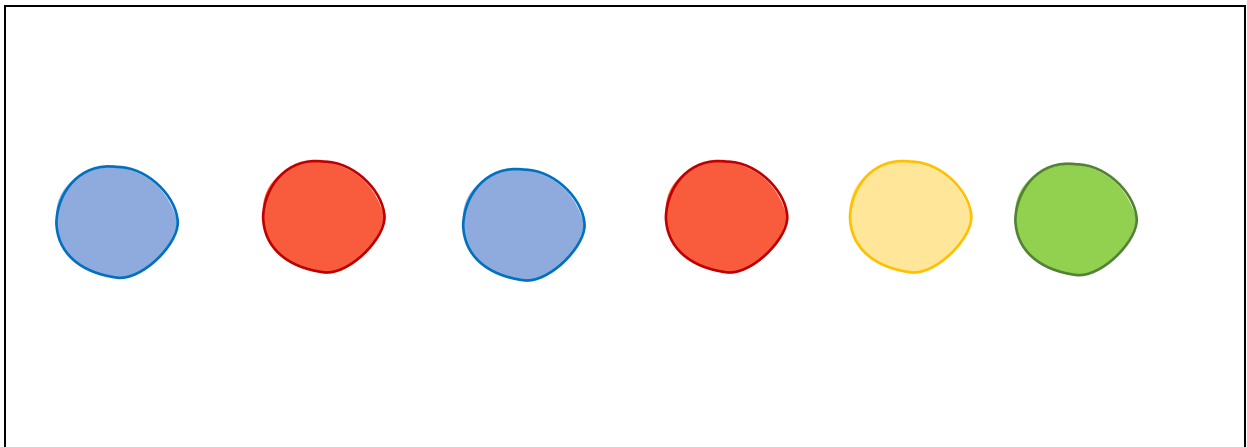

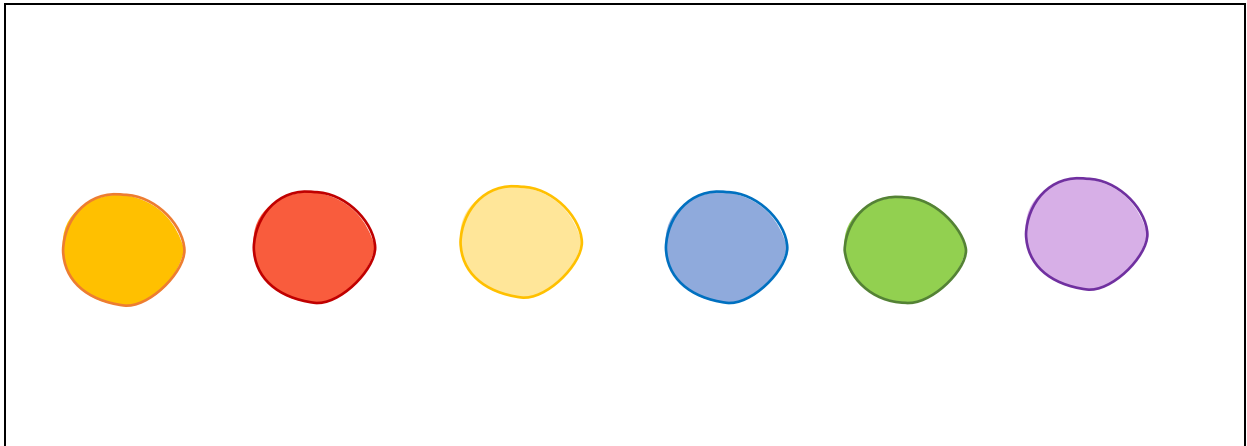

Vorbereitung: Kärtchen und Farbkreise ausschneiden!
