

# Achsensymmetrie

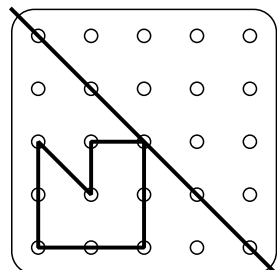

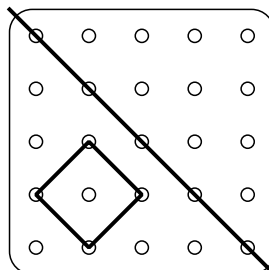

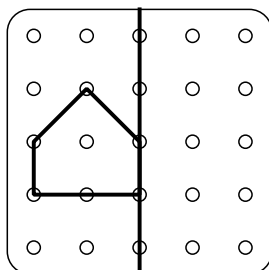

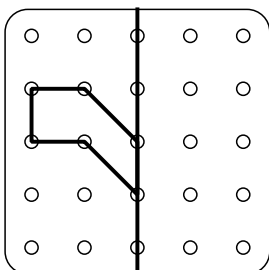

Zeichne in die Figuren die Spiegelachse(n) richtig ein!

Erfinde eigene symmetrische Figuren. Zeichne die Spiegelachse(n) richtig ein!

Ergänze die Figuren richtig. Überprüfe mit dem Spiegel!!

Eine Hundefamilie läuft wild durcheinander. Ordne sie nach ihrer Größe und trage die entsprechende Ziffer in die Sprechblasen ein. Beginne bei dem kleinsten Hund mit der Ziffer 1.
