|                                                                                       |                                                                                       |

Überlege dir welche zwei Würfel zusammen passen, so dass du in jedem Feld die gleiche Menge erhältst. Dann trage die Zahl in beide Felder ein.

Bilde nun eine Plus- oder Minusaufgabe. Schreibe diese jeweils in das untere Feld und rechne die Aufgabe aus.
