

Domino Plusrechnung

Ziehe einen Dominostein. Lege diesen auf das laminierte Blatt in das leere Feld und schreibe dann darunter die Rechnung inklusive Lösung. Ziehe für jedes Feld einen neuen Dominostein.

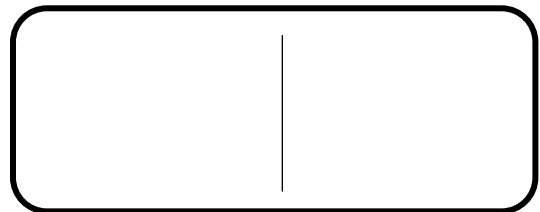

Beispiel:

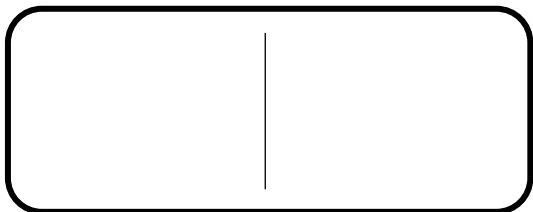

$$\underline{2} + \underline{6} = \underline{8}$$

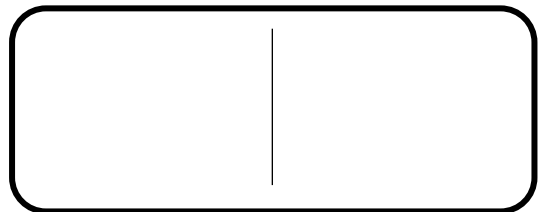

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

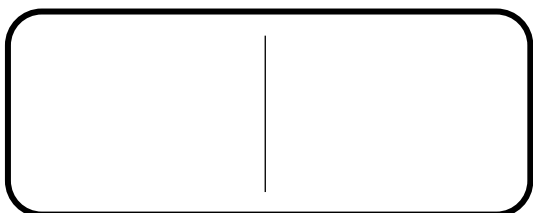

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

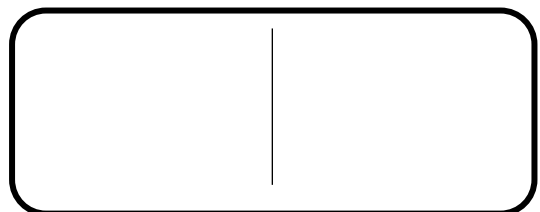

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$
